This form is effective from 1 February 2019

Name of village: Peregian Springs Country Club

- The Retirement Villages Act 1999 requires a retirement village scheme operator to:
 - provide a copy of the Village Comparison Document to a prospective resident of the retirement village within seven days of receiving a request
 - o include a copy of the Village Comparison Document with any promotional material given to a person, other than through a general distribution (e.g. mail-out)
 - publish the Village Comparison Document on the village's website so that the document, or a link to it appears prominently on each page of the website that contains, or has a link to, marketing material for the village
- You can access a copy of this Village Comparison Document on the village website at https://www.aveo.com.au/communities/peregian-springs-country-club/costs/
- All amounts in this document are GST-inclusive, unless stated otherwise where that is permitted by law.

Notice for prospective residents

Before you decide whether to live in a retirement village, you should:

- Seek independent legal advice about the retirement village contract there are different types
 of contracts and they can be complex
- Find out the financial commitments involved in particular, you should understand and consider ingoing costs, ongoing fees and charges (which can increase) and how much it will cost you when you leave the village permanently
- Consider any impacts to any pensions, rate subsidies and rebates you currently receive
- Consider what questions to ask the village manager before signing a contract
- Consider whether retirement village living provides the lifestyle that is right for you. Moving into a retirement village is very different to moving into a new house. It involves buying into a village with communal facilities where usually some of the costs of this lifestyle are deferred until you leave the village. These deferred costs when you leave your unit may be significant.
- Seek further information and advice to help with making a decision that is right for you. Some useful contacts are listed at the end of this document, including:
 - Queensland Retirement Village and Park
 - Advice Service (QRVPAS) which provides free information and legal assistance for residents and prospective residents of retirement villages. See www.caxton.org.au or phone 07 3214 6333.
 - The Queensland Law Society which can provide a list of lawyers who practice retirement village law. See www.qls.com.au or phone: 1300 367 757.

More information

- If you decide to move into a retirement village, the operator will provide you with a Prospective Costs Document for your selected unit, a residence contract and other legal documents.
- By law, you must have a copy of the Village Comparison Document, the Prospective Costs
 Document, the village by-laws, your residence contract and all attachments to your residence
 contract for at least 21 days before you and the operator enter into the residence contract. This
 is to give you time to read these documents carefully and seek professional advice about your
 legal and financial interests. You have the right to waive the 21-day period if you get legal
 advice from a Queensland lawyer about your contract.

The information in this Village Comparison Document is correct as at 15 September 2023 and applies to prospective residents.

Renovation means replacements or repairs other than reinstatement work.

By law, the operator is responsible for the cost of any renovation work on a former resident's unit, unless the residence contract provides for the resident to share in the capital gain on the sale of the resident's interest in the unit. Renovation costs are shared between the former resident and operator in the same proportion as any capital gain is to be shared under the residence contract.

An exit entitlement is the amount the operator may be required to pay the former resident under a residence contract after the right to reside is terminated and the former resident has left the unit.

14.1 How is the exit entitlement which the operator will pay the resident worked out?

The ingoing contribution (paid to the scheme operator on entry) is repaid to the resident less the following amounts which are paid by you to us by way of set-off:

- any costs of any Reinstatement Work required due to damage the resident has caused to the unit; and
- any other amounts the resident owes under the residence contract or any other agreements the resident has with the operator or its related parties about the provision of goods and services in the retirement village.

If the contract is a **Bond** contract, the Establishment Fee paid on entry is non-refundable, except if you leave during the Money Back Guarantee period.

If the contract is a **Now** contract, the Upfront Management Fee paid to the scheme operator on entry is non-refundable, except if your contract ends in the first 2 years, then you will receive a partial refund as follows:

Period from moving in to the contract end date	Portion of Upfront Management Fee refunded:
Under the Money Back Guarantee, within 6 months of moving in*	100%

Equal to or less than 2 years (unless the Money Back Guarantee applies)	100% on the occupation date, reducing to 0% on a pro-rata daily basis over the 2 year period starting on the occupation date
More than 2 years	No refund
* Please refer to part 17.1 of this doc Back Guarantee	ument for details of the Money

14.2 When is the exit entitlement payable?

- the day stated in the residence contract
 - which may range from 3 months to 6 months after the termination of the residence contract, depending on your contract option

Note from the scheme operator: Except if the Money Back Guarantee applies (see part 17.1 for details), the residence contract requires payment of the exit entitlement at the following times after vacant possession of the unit is provided:

Bond: 3 months

Now: 6 months

Later: 6 months

- 14 days after the settlement of the sale of the right to reside in the unit to the next resident or the operator
- 18 months after the termination date of the resident's right to reside under the residence contract, even if the unit has not been resold, unless the operator has been granted an extension for payment by the Queensland Civil and Administrative Tribunal (QCAT).

In addition, an operator is entitled to see probate or letters of administration before paying the exit entitlement of a former resident who has died.

14.3 What is the turnover of units for sale in the village?

11 accommodation units were vacant as at the end of the last financial year (comprised of 5 independent living units and 6 serviced apartments).

27 accommodation units (including 14 independent living units and 13 serviced apartments) were resold during the last financial year.
