

Wellness Concierge SERVICE

Your trusted partner in bespoke home care

Empowering elevated living

aveo

Introducing tailored support, expertly managed by Aveo

Whether it's helping organise and attend appointments, coordinating everyday tasks, or simply providing guidance when things get complex, your dedicated Wellness Concierge offers the personalised support you need to make life easier. Think of us as your trusted partner, thoughtfully managing every detail of home care so you don't have to. We'll work with you to create a custom plan that fits your lifestyle, bringing ease, comfort and care to your everyday – all with discretion, respect and a personal touch.

Your trusted partner in bespoke home care

How our tailored approach ensures a perfect fit

1 Discover

Through careful listening, we uncover your individual lifestyle, preferences and goals.

2 Design

We develop a bespoke support plan that complements and elevates your daily routine.

3 Deliver

Your dedicated Care Partner discreetly coordinates carefully selected providers, ensuring services blend with your lifestyle.

4 Delight

Enjoy ongoing, proactive management, attentively adjusted to meet your changing needs.

A comprehensive suite of lifestyle enhancement services designed specifically for you

Everyday Living Support

Household Management	Housekeeping, laundry, organisation and environment upkeep - keeping your space as you like it.
Meals and Nutrition	Expert nutrition planning, supplement oversight and ongoing dietitian collaboration to support vitality and culinary enjoyment.

Independence Support

Personal Support	Tailored assistance with bathing, dressing and movement - managed with discretion and exacting care.
Curated Companionship	Personalised companionship, thoughtfully matched to your lifestyle and interest.
Social Engagement	Privately organised cultural experiences, events and lifestyle activations designed to keep you connected.
Private Transportation	Door-to-door transport for appointments, shopping or leisure - arranged to your schedule.

Clinical and Wellness Support

Personalised Wellness	Proactive programming combines custom fitness, health monitoring and wellbeing strategies built around your goals and lifestyle.
Medical Coordination	Discreet oversight of all healthcare touchpoints: appointments, medication, nursing and personalised care planning.
Mobility Support	Expert therapists deliver tailored movement and mobility support, including strength and balance.

Short-Term, Targeted Care

Home Modifications	Consultation and coordination of home modifications (e.g., ramps, rails, ergonomic adjustments) to enhance safety at home.
Restorative Support	Targeted, short-term allied health interventions to rebuild capability - structured to restore independence and confidence.

Privately fund your care – any service, any time.

Access support immediately on a fee-for-service basis with no government assessment required. Alternatively, speak with us about accessing government Support at Home funding.

“It’s been the best decision
that we’ve made and it’s
helped us create this
fabulous lifestyle.”

Glenys & Lindsay, The Clayfield
